2016 PRE-Open House Event Schedule

Sunday, April 3, 2016

~ 3pm  GSAPP Event - Hike the Dish!
The Dish is an established Stanford landmark in the foothills behind Stanford campus.
The hike will not be too strenuous (4 miles) and water will be provided.
(Location: Meetup location and precise time TBA over Facebook group page “Stanford Physics/AP Grads”
https://www.facebook.com/groups/1418613568350300/ or you can message Ruby Lai or Greg McCracken
(GSAPP co-presidents) at rubyalai@stanford.edu and mccragre@stanford.edu)

7pm  Women in Physics Event - Meet the Women in Physics and Applied Physics Dinner
(Location: Kennedy Commons http://tinyurl.com/KennedyCommons)
The dinner is a catered event organized by Women in Physics. Women faculty and graduate students from AP and Physics will be present. All prospective students are welcome to attend the dinner.

9pm  GSAPP Event - Outing to Downtown Palo Alto
(Location: Meet at Kennedy Commons http://tinyurl.com/KennedyCommons) after Women in Physics dinner.
Explore downtown Palo Alto! Get bubble tea, ice cream, or explore some of the bars.

9pm  GSAPP Event - Game Night
(Location: Kennedy Commons Upstairs http://tinyurl.com/KennedyCommons)
Play board and social games with current graduate students and other prospective students. Look forward to some One Night Ultimate Werewolf (similar to Mafia, but better), Dominion, 7 Wonders, and other games.

Monday, April 4, 2016:

9am  GSAPP Event - Meet to Walk to Varian for Open House Events
(Location: Graduate Community Center/Ray’s)
Walk together with current graduate students through campus to find your way to Varian for the first day of Open House.

2016 Open House Event Schedule

Monday, April 4, 2016:

9:30-10am Welcome/Continental Breakfast
(Location: Varian and Phys/Astrophys Bldg. Lobby and Courtyard)

10:15-11:45am Overview of Physics & Applied Physics at Stanford University/SLAC National Accelerator Laboratory
(Location: Paul Allen Building 101X Auditorium)
Professor Aharon Kapitulnik (Former Department Chair, Applied Physics)
Professor Peter Michelson (Department Chair, Physics)
Professor Aaron Roodman (SLAC/Particle Physics Astrophysics)
Professor David Reis (SLAC/Photon Science)

Noon-1:30pm Poster Session/Lunch with Current Graduate Student Poster Presenters and Faculty
(Location: Varian and Phys/Astrophys Bldg. Lobby and Courtyard)
In case of rain, lunch will be in Physics/Astrophysics Building, Room 102

2-4:30pm Physics/Applied Physics/SLAC Open Offices/Open Labs
(Locations: Campus and SLAC - See schedule http://tinyurl.com/z5oaprx)
On this day students who wish to go to SLAC should use Stanford’s Marguerite Shuttle to get there:
http://transportation.stanford.edu/marguerite/

2-4:30pm GSAPP Event - Coffee, Tea and Snacks
(Location: Physics/Astrophysics Building, Room 102)

4:30-6:30pm Research Group Receptions
KIPAC – Location: Patio on 2nd Floor of Physics/Astrophysics Building (Risa Wechsler/Ziba Mahdavi, Organizers)
AMO/Ginzton Lab/PULSE Institute – Location: Patio/3rd Floor of Spilker Building (Jason Hogan, Organizer)
Particle Physics Experiment – Location: Courtyard in front of Physics Main Office (Lauren Tompkins, Organizer)
Stanford Institute for Theoretical Physics (SITP) – Location: Varian Bldg, 3rd Floor (Peter Graham, Organizer)

5pm GSAPP Event - Campus Tour
(Location: Meet in Varian Lobby)
Go on a tour of Stanford campus! As you’ll notice, Stanford’s campus is very big. Learn about the kind of stuff that goes on, and more importantly the places to buy food!

6:30-7:30pm Dinner with Student Hosts
(Location: Courtyard in front of Physics Main Office)
In case of rain, dinner will be in Physics/Astrophysics Building, Room 102

8pm GSAPP Event – Annual Open House Party
(Location: Village Center in Escondido Village)
Come and party with GSAPP at Con-Dance-Ation! We will have fun team challenges such as “Pokemon or Startup?”, human Hungry Hungry Hippos, team Tetris and more!
Also featuring a dance floor and DJ

Tuesday, April 5, 2016:

10am  Continental Breakfast for Visiting Students and Tell-All Panelists
(Location: Physics/Astrophysics Building, Room 102)

10:30-12:00pm  Special Session - "Stanford Physics Graduate Students Tell All"
(Location: Physics/Astrophysics Building, Room 102)
Come ask a panel of current Stanford Physics grads ANYTHING you would like to know about graduate student life at Stanford. ONLY STUDENTS MAY ATTEND THIS EVENT!

Panelists:

- Kelly Stifter  1st Yr  Rotation Advisor: Sarah Church  Experimental Particle Physics
- Varun Harbola  1st Yr  Rotation Advisor: Harold Hwang  Experimental Condensed Matter
- Anna Ogorzalek  2nd Yr  Advisor: Steve Allen  Astronomy – Observation & Theory
- Nora Brackbill  3rd Yr  Advisor: EJ Chichilnisky  Biophysics/Neuroscience
- Djordje Radicevic  5th Yr  Advisor: Stephen Shenker  High Energy Theory
- Sho Uemura  6th Yr  Advisor: John Jaros  Experimental Particle Physics

Noon-1:10pm  Lunch with Tell All Panelists and Physics/Applied Physics/SLAC Faculty
(Location: Courtyard in front of Physics Main Office)
In case of rain, lunch will be in Physics/Astrophysics Building, Room 102

1:15pm  Shuttle Bus to SLAC National Accelerator Laboratory (departs at 1:30pm)
Those that wish to go to open offices/labs at SLAC can take this chartered shuttle. We will gather together in the Lobby in front of the Physics Main Office at 1:15 and walk over to the bus together.
(Location: The shuttle will pick up students at 1:25pm at the junction between Panama and Via Ortega)

The chartered shuttle will leave SLAC at 5:00 to be back on campus around 5:30. Students will be able to take the Stanford Marguerite shuttle back to campus earlier or later if they wish. See Marguerite Shuttle Schedule for detailed info. For those planning to take the shuttle to UC Berkeley, note that the shuttle will depart from the same location on campus (junction between Panama and Via Ortega) at 6pm SHARP.
