

STANFORD UNIVERSITY OFFICE MEMORANDUM

Date: September, 2018

To: Physics Ph.D. Candidates

From: Maria Frank
(3-0830, maria.frank@stanford)

Subject: DEPARTMENT TRAVEL FUNDS AVAILABLE
FOR DOCTORAL STUDENTS IN PHYSICS

The Physics Department will continue to offer funds up to \$300 (\$500 for international travel) to assist Physics doctoral students traveling to professional meetings to present their research. Students should be in "good standing" and **participating substantively** (either presenting a paper or serving on a panel) in the meeting. Trips to interview for jobs have been specifically excluded. THREE trips are permitted using these funds during a student's academic career. **Please note: only one trip per student may be funded each academic year.**

Since this travel is considered to be University business, reimbursements are NOT tax reportable and can only be paid after the trip has been taken. Be sure to keep all travel receipts and submit them at the time of reimbursement. **Students will not be reimbursed for travel done while on leave of absence.**

Prior to making travel arrangements, please complete the attached application form and obtain the signature of your advisor. Submit the completed form to your department Student Services Officer for approval.

Once approved, the travel reimbursement request will be processed by your advisor's administrative associate if your advisor is in Physics, Applied Physics or at SLAC. If your advisor is in another department, check with Maria Frank to determine who should process the request.

Questions regarding Physics Department travel funds should be directed to:
Maria Frank, maria.frank@stanford.edu, 723-0830.
